THE LIFESTYLE

Thermally Efficient Replacement Tiled Roof

Our Lifestyle lightweight tiled roofing system gives you the most advanced replacement roof available on the market today, overcoming the twin issues of your conservatory being too hot in summer and too cold in winter. Moreover, it creates a beautiful vaulted plastered ceiling inside - and on the outside a stunning lightweight tiled finish. Extremely thermally efficient due to its advanced design, Lifestyle is fully compliant with Building Regulations and has Jhai system approval, giving you peace of mind from the outset of your replacement roof project.

Lifestyle has a proven pedigree and will provide comfort and peace of mind for many years to come. The complete roof is pre manufactured to ensure consistent quality on site and speedy installation with minimal waste and minimal disruption to your home compared to other tiled roof solutions.

DESIGN YOUR BESPOKE ROOF

Visually Striking Externally

Available in three colours; Terra Brick, Harvest Brown or Carbon Grey, the tiles used in the build of an of a Lifestyle Roof are exclusive to the system and are design not only to retain the colour, but also to resist expansion and retraction preventing splitting. The Lifestyle can also feature large, made-to-measure rectangular glass panels or Velux Windows that can be incorporated into the roof design to deliver natural light and sky views.

CARBON GREY

TERRA BRICK

HARVEST BROWN

Visually Striking Internally

Internally the Lifestyle is second to none. Around the perimeter of the ceiling sits an internal pelmet which can be used to insert spotlights or speakers and at the apex of the roof you can choose to add a flat panel enabling you to insert down-lighters, a ceiling fan or hang pendant lights for main or mood lighting.
